

Stoughton Pre-School End of Term Letter

17th July 2015

Dear Parent,

We are fast approaching the end of term and I would like to take this opportunity to write to you before we break up for summer. First and foremost I would like to thank you for your support over the last academic year, it has been a very busy but very enjoyable year!

Something that happens this time every year is that we have to say goodbye to a number of children who are moving on and we wish them and their families the very best of luck for the future. There will be a graduation ceremony for all leavers on Friday 17th July at 12.30pm - if your child is leaving you are more than welcome to come along to support them.

We hope those of you who were able to come to the Sports Day enjoyed the experience, it was a bit chaotic but the children were fantastic! The rest of this letter contains important information about the Pre-School from September. All this information, and a great deal more, can be found on our website www.stoughtonpreschool.co.uk so please take the time to have a look if you get the chance.

Staff Changes

On a sad note I wanted to let you know that we are saying goodbye to two fantastic members of the team. Charlotte, who has worked at the Pre-School for the last three years, has decided to work for a local family supporting their daughter Isabel. You may remember our recent fund raising event that took place for Isabel who is suffering from Late Infantile Batten's disease.

Lynn has also decided to say goodbye after three years here at Stoughton. She has recently become a grandmother and would like to spend as much time as possible with her new granddaughter, who can blame her!

We would all like to say a big thank you to both of these lovely ladies for all of their hard work and wish them the best of luck in their new adventures.

I hope you have a relaxing summer break and I look forward to welcoming you back in September. As always, if you have any questions in the meantime please do contact me.

Many thanks,

Mandy Holloway
